PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
APRIL 21, 1999

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of NorthWest Indiana Bancorp (the "Company"), of proxies to be voted at the Annual Meeting of Shareholders (the "Meeting") to be held at 8:30 A.M., on Wednesday, April 21, 1999, at the Center for Visual & Performing Arts, located in Munster, Indiana, for the purposes set forth in the accompanying Notice of Annual Meeting. The Board of Directors knows of no matters, other than those reported below, which are to be brought before the Meeting. However, if other matters properly come before the Meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxy in accordance with their judgment on such matters.

At the close of business on February 28, 1999, the record date for the Meeting, there were 2,763,156 shares of the Company's Common Stock outstanding and entitled to vote at the Meeting. (All share numbers herein are rounded to the nearest whole share. In addition, all share numbers are adjusted to reflect a two for one stock split effected as a share dividend to shareholders of record on February 28, 1999.) On all matters, including the election of directors, each shareholder will have one vote for each share held.

If the enclosed form of proxy is executed and returned, it may nevertheless be revoked at any time prior to the time it is voted. A proxy may be revoked by written notice to the Company's Secretary or by attendance at the Meeting. UNLESS REVOKED, A PROXY WILL BE VOTED AT THE MEETING IN ACCORDANCE WITH THE INSTRUCTIONS THEREON, OR, IF NO INSTRUCTIONS ARE GIVEN, FOR THE ELECTION AS DIRECTORS OF ALL NOMINEES LISTED UNDER PROPOSAL 1 AND FOR ALL OTHER PROPOSALS. Directors will be elected by a plurality of the votes cast. Each other proposal is subject to the vote of the holders of a greater number of shares favoring such proposal than those opposing it. A proxy may indicate that all or a portion of the shares represented by such proxy are not being voted with respect to a specific proposal. This could occur, for example, when a broker is not permitted to vote shares held in street name on certain proposals in the absence of instructions from the beneficial owner. Shares that are not voted with respect to a specific proposal will be considered as not present and entitled to vote on such proposal, even though such shares will be considered present for purposes of determining a quorum and voting on other proposals. Abstentions on a specific proposal will be considered as present, but not as voting in favor of such proposal. Because none of the proposals to be considered at the meeting requires the affirmative vote of a specified number of outstanding shares (they require

only a plurality or a majority of the shares voted), neither the non-voting of shares nor abstentions on a specific proposal will affect the determination of whether such proposal will be approved.

The cost of this solicitation will be borne by the Company. In addition to solicitation by mail, the Company's directors, officers and regular employees may solicit proxies personally or by telephone without additional compensation. It is expected that this Proxy Statement and the accompanying Notice of Annual Meeting and form of proxy will first be mailed to shareholders on or about March 22, 1999.

ELECTION OF DIRECTORS
(Proposal No. 1)

NOMINEES

The Board of Directors is comprised of nine directors divided into three classes of three directors each, with the term of one class expiring each year. Each director serves until the annual meeting of shareholders held in the year that is three years after such director's election and thereafter until such director's successor is elected and qualified. There currently is one vacancy on the Board of Directors, which will not be filled at the Meeting and will remain vacant for the foreseeable future. Each of the Company's directors also serves on the Board of Directors of the Company's wholly owned subsidiary, Peoples Bank SB (the "Bank"), for a term running concurrently with his or her term on the Company's Board of Directors.

The nominees for election this year are Frank J. Bochnowski, Lourdes M. Dennison and Gloria C. Gray. Each has been nominated by the Board of Directors for election as a director for a term to expire at the 2002 annual meeting of shareholders and until his or her successor is elected and has qualified. It is the intention of the persons named in the accompanying form of proxy, absent contrary instructions thereon, to vote such proxy for the election to the Board of Directors of these three individuals. Each nominee has consented to be named herein and to serve as a director if elected. However, if any nominee becomes unavailable for election, it is the intention of the persons named in the accompanying form of proxy to nominate such other person as director as they may in their discretion determine, in which event the shares will be voted for such other person.

Unless otherwise indicated in a footnote to the following table, the principal occupation of each director and nominee has been the same for the last five years, and each such director or nominee possesses sole voting and investment power with respect to the shares of Common Stock indicated as beneficially owned by him or her.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors conducts its business through meetings of the Board and its committees. During the year ended December 31, 1998, the Board held seven meetings. No director attended fewer than 75% of the total meetings of the Board of Directors and committees on which such Board member served.

The Board of Directors has appointed an Audit Committee composed of Directors Crandall, Dennison and Mize. Prior to his death in September 1998, Director John J. Wadas, Jr. also served on the Audit Committee. Upon the Meeting, Mr. Crandall will retire from the Board and the Audit Committee. The Audit Committee functions as the Company's liaison with its external auditors and reviews audit findings presented by the Company's internal auditor. The Audit Committee, along with the external auditors and internal auditor, monitors controls for material weaknesses and/or improvements in the audit function. The Audit Committee also monitors or, if necessary, establishes policies designed to promote full disclosure of the Company's financial condition. The Audit Committee is independent of management. During the year ended December 31, 1998, the Audit Committee held four meetings.

The Board of Directors has appointed a Compensation Committee composed of Directors Bochnowski, Dennison, Gray and Vrabel. The Compensation Committee is responsible for reviewing, determining and establishing the compensation of directors and (as the Bank's Compensation Committee) the salaries, bonuses and other compensation of the executive officers of the Bank. During the year ended December 31, 1998, the Compensation Committee held one meeting.

The Board of Directors has not appointed a Nominating Committee. It has, however, appointed an Executive Committee, composed of Directors Bochnowski, Crandall, Dennison and Vrabel. Upon the Meeting, Mr. Crandall will retire from the Executive Committee. The Executive Committee is authorized to exercise the powers of the Board of Directors between regular Board meetings, except with respect to the declaration of dividends and other extraordinary corporate transactions. All actions of the Executive Committee are reviewed and ratified by the full Board of Directors.

COMPENSATION OF AND TRANSACTIONS WITH OFFICERS AND DIRECTORS

The Company itself pays no compensation to its employees, and each of the named executive officers holds a similar position with the Bank. Each of the named executive officers has been employed by the Company or the Bank for more than five years.

COMPENSATION OF DIRECTORS

All directors who are not also officers of the Company or the Bank receive

EMPLOYMENT AGREEMENT

The Bank entered into an employment agreement with David A. Bochnowski as President and Chief Executive Officer, effective March 1, 1988 and amended January 18, 1992. The agreement has a three-year term and provides for annual extensions for additional one-year terms, subject to annual review by the Bank's Board of Directors, unless Mr. Bochnowski gives written notice that the agreement will not be extended further. The agreement provides for a minimum annual salary of \$150,000 and for annual salary review by the Board of Directors, as well as inclusion of Mr. Bochnowski in any discretionary bonus plans, customary fringe benefits, vacation and sick leave. The agreement is terminable by the Bank for "cause", defined in the agreement as termination for dishonesty, incompetence, willful misconduct, breach of fiduciary duty involving personal profit, intentional failure to perform stated duties, willful violation of any law, rule or regulation (other than traffic violations or similar minor offenses) or final cease-and-desist order or a material breach of the agreement. If the Bank were to terminate Mr. Bochnowski without cause, or in the event of his death during the term of the agreement, Mr. Bochnowski or his estate would be entitled to a continuation of his salary for a period of one year thereafter. Mr. Bochnowski may terminate his agreement upon three months' notice to the Bank.

The agreement provides that in the event of the termination of Mr. Bochnowski's employment after any change in "control" of the Company or a change in the capacity or circumstances in which he is employed as contemplated by the agreement, he will be promptly paid a sum equal to 2.99 times the average annual compensation he received during the five-year period immediately prior to the date of change of control. "Control" is defined in the agreement by reference to the control determinations set forth in federal banking regulations, which generally define "control" as the acquisition by any person or entity of the ownership or power to vote more than 25% of the stock of a bank or its holding company, although under certain circumstances control may occur upon the acquisition of 10% of such stock unless successfully rebutted.

Mr. Bochnowski's agreement provides that in the event he becomes disabled during the term of the agreement, he shall continue to receive his full compensation for the first 18 months from the date of such disability, at which time the Bank may terminate the agreement and Mr. Bochnowski shall receive 60% of his monthly salary at the time he became disabled until the earlier of his death or his normal retirement date under the Bank's Pension Plan. The agreement provides that these amounts shall be offset by any amounts paid to Mr. Bochnowski under any other disability program maintained by the Bank. The agreement also requires the Bank to maintain term insurance on Mr. Bochnowski's life in the amount of \$750,000, payable to his designated beneficiaries.

1994 STOCK OPTION AND INCENTIVE PLAN

The Board of Directors adopted the 1994 Stock Option and Incentive Plan (the "Option Plan"), which was approved by shareholders at the 1994 annual meeting. Pursuant to the Option Plan, an aggregate of 240,000 shares of the Company's Common Stock are reserved for issuance in respect of incentive awards granted to officers and other employees of the Company and the Bank. Awards granted under the Option Plan may be in the form of incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or non-incentive stock options or restricted stock. The purposes of the Plan are to attract and retain the best available personnel, to provide additional incentives for all employees and to encourage their continued employment by facilitating employees' purchases of an equity interest in the Company. The Option Plan is administered by a committee composed of Directors Dennison, Gray and Vrabel, none of whom is eligible to receive awards under the Plan. The committee has discretion

as to the persons who will receive awards and in what amount. As of December 31, 1998, approximately 89 employees were eligible to be considered for incentive awards under the Option Plan.

OPTION GRANTS

During the year ended December 31, 1998, a total of 11,900 stock options were granted under the Option Plan to the executive officers named in the Summary Compensation Table. In each case, the exercise price per share was equal

to the fair market value of the Common Stock at the time of the grant.

The table below sets forth further information regarding grants of stock options pursuant to the Option Plan during the year ended December 31, 1998, to the persons named in the Summary Compensation Table.

All options become immediately exercisable upon the commencement of a tender or exchange offer for the Common Stock, or upon a change in control of the Company.
- (2) The dollar amounts under these columns are based on the 5% and 10% rates set by the Securities and Exchange Commission and are not intended to forecast possible appreciation of the Company's stock price. The calculations assume a five-year option term.

BENEFITS

Profit Sharing Plan and Trust (Pension). The Bank maintains a Profit Sharing Plan and Trust (the "Pension Plan") for the benefit of its eligible employees. All employees are eligible to participate in the Pension Plan if they have completed one year of employment with more than 1,000 hours of service, and have reached their 21st birthday. This plan is non-contributory on the part of the employee. Each plan year the Bank's Board of Directors determines the amount to be contributed by the Bank. This contribution is discretionary and is based on the Bank's financial performance. During the year ended December 31, 1998, the Bank contributed \$270,391 to the Pension Plan. The amounts of these contributions on behalf of the executive officers named in the Summary

Compensation Table are included in that table under the column "All Other Compensation." Pension benefits vest on the following scale: two years of service, 40% of benefits accrued through the prior fiscal year; three years of service, 60% of benefits accrued through the prior fiscal year; four years of service, 80% of benefits accrued through the prior fiscal year; and five years of service, 100% of benefits accrued through the prior fiscal year. The normal retirement age is the first day after reaching age 65, at which time the employee is entitled to receive 100% of the contributions previously made.

Employee Stock Ownership Plan. The Bank adopted an Employee Stock Ownership Plan (the "ESOP") effective July 1, 1990. No contribution to the ESOP was made during the year ended December 31, 1998, and the ESOP will be terminated during 1999. At December 31, 1998, there were 2,188 shares of the Company's Common Stock held under the ESOP and allocated to participants.

401(k) Plan. The Bank maintains a 401(k) defined contribution retirement plan for the benefit of its eligible employees. All employees are eligible to participate in the plan if they have completed one year of employment and 1,000 hours of service and have reached their 21st birthday. This plan is non-contributory on the part of the Bank. Participating employees may elect to contribute up to ten percent of their compensation on a pre-tax basis into the plan through regular payroll deduction. Such funds will be invested as directed by participants into eight investment options. All participants are always 100% vested in their contributions and the earnings on their investments. Distributions of participant account assets can occur upon retirement, for hardship, upon attainment of age 59-1/2, upon disability, upon the death of the participant and upon termination of service. The normal retirement age is 65; participants may request early retirement distribution upon retirement and reaching age 55. Participants may obtain loans from the plan pursuant to uniform provisions meeting the requirements of the Code, using their account assets as collateral.

-8-

Unqualified Deferred Compensation Plan. The Bank adopted an Unqualified Deferred Compensation Plan (the "Deferred Compensation Plan") during 1995. The purpose of the Deferred Compensation Plan is to provide deferred compensation to key senior management employees of the Bank in order to recognize their substantial contributions to the Bank and to provide them with additional financial security as inducement to remain with the Bank. The Deferred Compensation Plan is administered by the Bank's Compensation Committee. In order to be eligible for participation in the Deferred Compensation Plan, an employee must hold a key management, full-time position in which he has the opportunity to impact significantly on the annual operating success of the Bank. Of those eligible employees, the Compensation Committee selects which persons shall be participants in the Deferred Compensation Plan. Participants' accounts are credited each year with an amount based on a formula involving the participant's employer-funded contributions under all qualified plans and the limitations imposed by Code subsection 401(a)(17) and Code section 415. Following the cessation of the employment of the participant by the Bank for any reason, including the participant's death, the participant's account is distributed to the participant (or, in the event of his death, to his designated beneficiary) in a lump sum cash payment. Currently, David A. Bochnowski is the only participant in the Deferred Compensation Plan. For the year ended December 31, 1998, the Bank credited \$4,005 to Mr. Bochnowski's account under the Deferred Compensation Plan. This amount is included in Mr. Bochnowski's compensation in the Summary Compensation Table under the column "All Other Compensation."

Bank Loans. From time to time, the Bank makes loans to the Company's directors and officers and their family members. All of such loans are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and do not involve more than the normal risk of repayment or present other unfavorable features. Loans made to a director or executive officer in excess of \$50,000 must be approved in advance by the disinterested members of the Bank's Board of Directors.

Health and Insurance Benefits. The Bank provides health and accident benefits for all full-time employees. Dependent coverage is provided at the employee's expense through a group insurance plan upon request. Term life insurance is provided for all employees who have completed one year of employment with more than 1,000 hours of service and have reached their 21st birthday.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors establishes the compensation of the Bank's executive officers. In setting compensation levels, the Company seeks to create a cost-effective and fair package that will attract, retain, and motivate the finest employees available to the Company and the Bank. The Bank compensates each executive officer based primarily on the following

factors:

- * The executive's level of job responsibility and performance;
- * The Company's performance; and
- * Compensation available from comparable companies and rivals for an executive's services.

The Company structures compensation to motivate executives to achieve the Company's strategic goals. Accordingly, executive compensation is linked to the Company's short-term and long-term performance.

-9-

Stock options, for example, provide a direct link between executive compensation and long-term creation of shareholder value. Customarily, options awarded by the Company do not become exercisable until five years after the grant (barring a change in control in the Company). Further, the options are forfeited immediately upon the termination of employment of an executive for cause or for any reason other than death, disability, or retirement. An Options Committee, composed of Compensation Committee members Dennison, Gray, and Vrabel, proposed awards of options for 1998 based upon (1) the Company's earnings, (2) the Company's performance when compared to its peers, (3) the Company's achievement of strategic goals, and (4) the executive's performance. Options were awarded as set forth in the "Option Grants" table above.

Similarly, the Bank's incentive plan provides additional compensation based upon the Company's performance relative to targets set for return on assets, return on equity, and earnings per share. The Company's performance satisfied conditions for payments under the incentive plan.

Finally, the Committee attempted to maintain the Company's compensation package at a level consistent with compensation paid by comparable firms. The Committee considered various surveys, including those available from Sheshunoff, Cole Financial, Inc. and America's Community Bankers.

David A. Bochnowski's compensation for 1998 was determined in accordance with the same procedures and standards as for the other executive officers of the Company; however, Mr. Bochnowski does not vote upon his own compensation, his option awards under the Company's Option Plan, or his bonus awards under the Bank's incentive plan. Further, for 1998, the Committee procured a report on executive compensation from Cole Financial, Inc. to assist the Committee in evaluating Mr. Bochnowski's compensation under the comparability standards described above. Taking into account the Company's asset and net income growth, return on assets and return on equity results, and operating expenses, the Cole Report concluded that Mr. Bochnowski's compensation (salary, incentive and options) was competitive when compared to similarly performing peers. (The Cole Report also found that the compensation (salary, incentive and options) paid to Messrs. Gorelick, Furticella and Frank Bochnowski was also competitive.) The Board of Directors and the Compensation Committee approved Mr. David Bochnowski's compensation for 1998, as well as the 1998 compensation of Messrs. Gorelick, Furticella and Frank Bochnowski.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Of the members of the Company's Compensation Committee (Directors Bochnowski, Dennison, Gray, and Vrabel), only Mr. Bochnowski serves or has served as an officer or employee of the Company or its subsidiaries. As stated above under "Benefits -- Bank Loans," from time to time the Bank makes loans to the Company's directors, including members of the Compensation Committee, and their families. RATIFICATION OF APPOINTMENT OF AUDITORS (PROPOSAL NO. 2)

The Board of Directors has renewed the Company's arrangements with Crowe, Chizek and Company LLP, independent auditors, to be its auditors for the year ending December 31, 1999, subject to ratification by shareholders. A representative of Crowe, Chizek and Company LLP is expected to be present at the meeting, will have the opportunity to make a statement if he so desires and will be available to respond to appropriate questions.

During 1998, Crowe, Chizek and Company LLP provided services in connection with the firm's audit function, which included an examination of the Company's financial statements, assistance in preparation of reports filed with the SEC, and meeting with the Company's Board of Directors and Audit Committee relative to the audit. Non-audit services were primarily related to assistance in the development of internal audit programs and the preparation and review of the Company's federal and state tax returns. Crowe, Chizek and Company LLP performs similar audit and non-audit services for the Bank.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION.

SECURITY OWNERSHIP BY CERTAIN BENEFICIAL OWNERS AND MANAGEMENT
