Net income totaled $\$ 3.9$ million for the six months ended June 30, 2015, compared to $\$ 3.8$ million for the six months ended June 30, 2014.

"Our six month operating results again reflect the Bank's ability to successfully implement our strategic initiatives. Core income increased as a result of strong loan and core deposit growth while asset quality improved to levels not seen since the onset of the Great Recession," said David Bochnowski, chairman and chief executive officer.

Bochnowski also noted that earnings were driven by strong loan originations, core account growth, asset quality, and the sale of mortgage loans. For the current six month period, loan balances increased $\$ 18.8$ million while core deposits grew $\$ 34.8$ million. Assets totaled $\$ 813.3$ million at the end of June 2015 , the Bank's ratio of non-performing loans to total loans decreased to $0.66 \%$, and income from mortgage loan sales increased $239.8 \%$ over the same period a year earlier.
"The acquisition of Liberty Savings closed on July 1, providing Peoples Bank with new strategic locations in Whiting and Winfield. Peoples Bank is excited to extend our You First banking brand into these communities as we continue to utilize our assets to grow the economy of Northwest Indiana," Bochnowski noted.
"The depth of our commitment to the community is reflected in these results. The second quarter was punctuated by closing our merger with Liberty Savings, a merger that strengthens our combined ability to create value in our community and for our customers, employees and shareholders," said Ben Bochnowski, president and chief operating officer.

In addition, noninterest expense is being recognized during 2015 for costs related to the acquisition of Liberty Savings Bank, which was completed on July 1, 2015.
